WEBSITE MAKEOVER HAS ARRIVED. It is still a work in progress, however. If you have questions or comments, please click on [Contact Us](#) at the bottom of the home page, which allows you to send an email message.

The following summary aims to help you get acquainted with the new format, but you'll need to set aside some time to explore it for yourself. It has many excellent new features, but it can take awhile to find them all.

Recent Opinions

There are two ways to find opinions on the redesigned website. For recent opinions listed by name and date, most recent to oldest, see the last line of text on the home page, "Check the [Opinions](#) for current decisions and rulings." If you click on this [Opinions](#), a list of recent opinions will be displayed.

There is another place on the home page to click [Opinions](#): the last item in the column headed **Information for Attorneys**. Clicking here takes you to a place where you can search, by keyword, opinions from the past several years. Warning: this part of the site is still being developed – the search system at this point is primitive.

No new opinions have been posted since last week's summary.

OTHER NEW FEATURES OF THE SITE:

Organization

The site is now organized into the following categories: **Information for Attorneys, Information for Debtors, Information for Creditors**, and **Court News and Announcements**. The last heading is where recent changes are posted.

But there's more. Directly above the large-type headings just described are several clickable smaller headings: **Filing, Rules & Forms, Calendars, ECF, Judges, and Courthouses**. And at the bottom of the home page, are "Other Important Resources": [FAQ](#), [Helpful Links](#), [Judicial Misconduct](#) and [Opinions](#), this last described above. Finally, words at the bottom of the home page provide access to other information, including whether there are any current job openings. Here is where you will find the [Contact Us](#) option.

Calendars

Under **Information for Attorneys**, there is access to several calendars: dates for chapter 7 and 13 Relief from Stay hearings through the end of the year in Portland and Eugene; §341(a) meetings; and Judges' Calendars. For §341(a) meetings, you can locate your own by entering the name of the lawyer, trustee, or case name or number, or you can simply fill in a date range and click on "Generate Calendar." For [Judges' Calendars](#), search for a specific case or search by date, date range, judge, hearing type or attorney. Selecting only a date range and an office (Portland or Eugene) will generate a full list for the selected date(s) and office.

Information for Debtors and Creditors

The site contains helpful information for debtors and frequent bankruptcy creditors. The **Information for Debtors** heading on the main page takes the potential or actual debtor to appropriate frequently asked questions (and answers). Under **Information for Creditors**, the creditor can find answers to creditor-appropriate FAQ, as well as ECF and PACER help.

NEW ITEM:

Local Bankruptcy Forms

Several LBFs have been updated for use by **December 1, 2008**. Click on the first item – "10/31/08 - Local Form (LBF) Updates" – under Court News & Announcements on the home page. You can then view all

forms, recently updated forms, or all forms in a category such as General, Creditor, Debtor, Adversary/Contested, etc.

Updated forms required by **December 1, 2008**: B10, 391, 521.05, 720.50, 753.40, 760.5, 1191.3, and 1355.05. Updated forms required as of **October 15, 2008**: 345, 717.20, 1195, 1214 and 1307.
